Classic Reflection Coachworks

Upon receipt of your deposit, we will send you a confirmation letter acknowledging your payment and stating your position on the build list along with a general estimate of when your car will be built. We will stay in contact with you and help you make decisions that provide you with a customized car.

Approximately 60 days before we begin work on your CRC, you will be contacted to make arrangements for your donor car to be delivered to our facility in Lakewood Washington. Final decisions will be made about color and any special options or additions you want included. At this point of contact, we request a deposit equal to 25% of your cars estimated price be sent within 10 business days. This allows us to order necessary parts to build your car.

When we have received your car and before construction begins, we require an additional payment bringing your total deposit to 50%. It will take approximately 12 weeks to build your car. Pick up or delivery arrangements will also have to be made. The balance of your CRC price plus any applicable taxes will be due at the time of delivery. We will post weekly pictures of your car being built on our website.

You may cancel your order anytime prior to the first deposit and your \$1000.00 will be refunded. Please mail or fax your cancellation request and include your signature and the current address where the refund should be mailed.
